Consent Form for Scholarship Applications

For the applicant to be considered, this consent form must be submitted with the scholarship application and signed by the student applicant and a parent/guardian (if necessary).

The Norwalk Community College Foundation (the "NCC Foundation") will award a limited number of scholarships to a select group of students. These awards are designed to ease students' tuition burdens and assist them toward completion of their associate degrees.

I, _____, understand that my award is based on the accuracy of the information I provided in my application and affirmation of the following:

The number of credits I indicated on my submitted application is accurate.

If I enroll in fewer credits, my award will be reduced.

I understand that I must maintain a minimum grade point average of 2.50.

I understand that in order to maintain my scholarship eligibility, I must complete the number of credits per semester that I have indicated on my application.

I understand that future scholarship payments may be REDUCED if I do not meet the criteria for completed credits and/or GPA.

I understand that I can receive ONLY one (1) award or scholarship from the NCC Foundation per semester (awards from P2S, Uplift, etc. programs cannot be combined with Academic Year or Spring scholarships).

I understand that if I receive an NCC Foundation Scholarship, I will be available for a publicity photo and to meet donors (if requested).

I understand that if I WITHDRAW from all of my courses after the Norwalk Community College designated add/drop date, I will forfeit my scholarship for the next semester.

I will notify the NCC Foundation at scholarships@norwalk.edu of any email or address changes that occur after I sign this agreement.

Furthermore, in order for the NCC Foundation to be able to consider me for a scholarship, I consent to the disclosure of limited information from my educational record to the NCC Foundation from [Norwalk Community College], which shall include name, phone number, physical address, email address, date of birth, gender, race/ethnicity, grade point average, degree program and program of study, number of credits earned and in progress, current enrollment status, high school town and graduation year, and financial aid data (including whether you are a Free Application for Federal Student Aid (FAFSA) applicant and your unmet financial need) in accordance with The Family Educational Rights and Privacy Act (FERPA)

for the limited purpose of the NCC Foundation to review my scholarship application materials, make a determination as to my eligibility for a scholarship award, and to administer any scholarship I may receive.

Should I be selected for a scholarship, I further consent to the NCC Foundation sharing my name, photo, town of residence, and grade point average with the scholarship donor. This authorization will remain in effect for the 2023-24 Academic Year only.
