Dear Friend,

We are thrilled to invite you to join us as a sponsor for the Norwalk Community College Foundation's 2025 Gala—***A Night of Brilliance: 60 Years of Building Bright Futures***. This special event will take place on **Thursday, October 23, 2025, from 6:00 to 10:00 PM** at **Shore & Country Club**. To be included on the printed invitation, please respond by August 1, 2025.

This memorable evening will celebrate six decades of educational impact and community support, bringing together 200 HNW guests from across Fairfield and Westchester Counties to honor the transformative power of education. This event will shine a light on the achievements of our remarkable students—and the supporters who help make their success possible.

Your sponsorship will support vital student success programs on the Norwalk's community college campus while gaining visibility with an important audience.

The Norwalk Community College Foundation was founded in 1965 to support the success of students studying on the Norwalk community college campus. While the name of the campus has shifted throughout the years, the mission of the NCC Foundation remains the same: to promote and enable access to quality higher education, support the development of a productive, educated workforce, and contribute to the knowledge and well-being of the Fairfield County, Connecticut community.

**Your support helps drive our strategic priorities:**

- **Barrier Busters** – Emergency funding, food assistance, and access to affordable childcare to help students stay enrolled and focused.
- **Success Catalysts** – Mentoring, coaching, and career readiness programs that foster student achievement and connection.
- **Sector Investments** – Support for high-demand academic programs and industry-approved training tools in fields like Allied Health and STEM.
- **Scholarships** – Over \$1.2 million annually in direct student support, including academic, workforce, and transfer scholarships.

In the enclosed sponsorship packet, you'll find detailed information about sponsorship levels and benefits. Details can also be found on our website at [ncc-foundation.org](http://ncc-foundation.org). For more information, please contact Eileen McNamara, Development Manager, at [eileen.mcnamara@ctstate.edu](mailto:eileen.mcnamara@ctstate.edu) or 203-857-6894.

We would be honored to partner with you in celebrating this milestone and in continuing our mission to build a stronger, more educated community—one student at a time.

Sincerely,
