### **Norwalk Community College Foundation Unveils New Logo**

**Norwalk, Conn. - August 1, 2025** – As the Norwalk Community College Foundation marks 60 years of impact, it is introducing a new logo that reflects both its legacy and its future. Inspired by students, supporters, and the community it serves, the updated design represents people coming together to invest in dreams and build brighter futures.

“This isn’t just a new look,” said Nancy von Euler, President and CEO. “It’s a tribute to the thousands of students whose lives have been changed by education, and to the donors and partners who made it possible.”

Since 1965, the Foundation has helped students access college and career opportunities through scholarships, resources, and program support. The new logo highlights that ongoing mission and the momentum behind the next generation of impact.
