

Income Verification Form

Who should complete this form?

- Students who are U.S. Citizens or Permanent Residents, under the age of 24 living independent from their parents, and whose parents do not file a FAFSA on their behalf.
- Students who are unable to file a FAFSA because they are not yet a U.S. Citizen or Permanent Resident.
- Parents of students under the age of 24 who are unable to file a FAFSA because they are not yet a U.S. Citizen or Permanent Resident.

Please include last year's annual income and complete this form to the best of your ability so that we can understand your financial need. Enter \$0 or N/A in any fields that do not apply to you. This information will only be used for scholarship evaluation purposes. The NCC Foundation is a private, non-profit organization. We do not share information with the Connecticut State Colleges and Universities.
